## PROTOCOL FOR 'STAY GUESTS' STAYING IN THE STUDY CENTRE (SC) COTTAGES, BANGALORE

Guests intending to stay at the Study Centre, KFI, Bangalore must have taken both doses of COVID-19 vaccination. Guests must ensure that they are not suffering from any fever, cough, or cold. They must not be from a containment zone.

1. The guests must carry their vaccination certificate with them. They should also send a copy of the vaccination certificate via email prior to arrival.
2. The **international guests** must quarantine in their rooms for three days after arrival. Food carrier and drinking water will be delivered to the door.
3. The guests must sanitize their hands before entering the Study Centre building.
4. Mask must be worn when outside the cottage. The mask must cover the nose and mouth fully and comfortably.
5. At all times adequate social distance should be maintained among themselves as well as from the staff of the Study Centre.
6. The books can be taken and read in the library, cottage or the first floor of the Study Centre.
7. Guests may have informal conversations in the open area while maintaining adequate distance. Avoid having conversations inside the building.
8. Guests must stay on the Study Centre side of the campus and not go to the Art Village or School for the safety of our students.
9. Stay guests will be allocated a cottage on a non-sharing basis. Only members of the same family may stay in the same cottage.
10. Guests should remain alert. If they experience any symptoms that could be Covid related, they should quarantine themselves in the cottage. Food will be provided in the cottage.
11. If a guest is experiencing any symptoms, arrangements will be made for on-site RTPCR test. The expense shall be borne by the guest.

12. Guests should have health insurance that is valid in Bangalore. In case the oxygen saturation level drops below a certain level, the guest may have to be transferred to a hospital. Guests shall be responsible for any hospitalization expense.
13. Guests must use only allocated cottages and should not enter any other cottage.
14. Guests may make morning tea in their cottage. Provisions will be kept in the cottage. Morning tea will not be served in a common area.
15. All meals will be provided in the dining area. Guests may sit on the dining table with adequate spacing.
16. The guests are discouraged from going outside the campus during their stay at the Study Centre.
17. Guests are encouraged to make the payment for their stay online.
18. Suggested items to carry on your visit: Flash light, extra face mask, personal hand sanitizer, hand towels, and warm pullover.
